RE: Charles Kady, Jr.
Dendee Acres Subdivision

Dear Mr. Laydon:

I write to request that the above named developer/subdivision be included on the Agenda for the June 27, 2016 Meeting in order to discuss the materials used for the bounds installed at the above named subdivision. Although the Decision indicates the installation of Granite Bounds, the Plan endorsed by the Board indicates the use of Concrete Bounds. Mr. Kady relied on the plan and has largely completed the installation of Concrete Bounds however the review engineer has identified that the bounds were to be granite pursuant to the Decision. Accordingly, we would like to attend your next meeting in order to discuss the possibility of amending the decision to conform to the plan.

We appreciate your consideration and look forward to seeing you on the 27th.

Very truly yours,

Damien D. Berthiaume
